### Thank You Sponsors for Making It Happen

Hard to believe it is already August. July was filled with so many events, no one can say there was nothing to do in the Twin Towns..

Borderline Chalkfest was back for the 4th year and was bigger and better than ever. We had 19 professional and amateur artists from all over the country and even one from Mexico. The art was magnificent and we had the biggest crowd of observers we've ever seen. People came from long distances to watch the artists work their magic.

Headwater's Music Festival was back for the 3rd year. Headliners for this year's event included 32 Below and Loy Ave. Many local bands including Billy D and the Crystals and Whiskey River also performed. Again, there were large crowds enjoying the festivities.

Both these events were free to the public thanks to the generous sponsors who financially supported the events and because of many hours of hard work by volunteers. The Wahpeton CVB was a major financial supporter of both events and we are grateful to them and other sponsors for making it happen in the Twin Towns

Looking ahead, there will be lots of things to keep everyone busy this fall. On August 10th there will be another Summer Wine Walk hosted by various businesses in Wahpeton and Breckenridge. Visit the participating businesses and enjoy wine sampling as well as in-store specials and giveaways.

On Saturday, September 10th, Breckenridge will hold Headwaters Day in Welles Park and on Saturday, September 17th, Bull Bash makes its return to Frank Vertin Field in Wahpeton. The last week in September will be NDSCS Homecoming and there are lots of fun activities being planned for that.

To keep up to date on everything happening in the Twin Towns, check out the community calendar on our website at [www.wbchamber.net](http://www.wbchamber.net). There is so much to do and enjoy in Wahpeton and Breckenridge.

*Join our Team*

We are currently looking to add more ambassadors to our group. The Twin Town Ambassadors meet the 2nd Tuesday of each month at 8:30 am at the chamber office. Being an ambassador is a great way to learn more about what is happening in the businesses in our community.

If you would like to join this fun, energetic group and help us celebrate the milestones of our business community, please feel free to contact us and we'd be happy to give you more information.

# CHAMBER BUCKS

*shop local. eat local. spend local. enjoy local*

The Chamber Bucks Program is getting an exciting new update for 2022. Chamber Bucks will now be distributed as an actual check that businesses will be able to deposit and will eliminate the need to request reimbursement from the Chamber office. Watch your email for more details coming soon.

The Wahpeton Breckenridge Chamber of Commerce is happy to offer the Chamber Bucks Program to the Twin Town Communities. The Chamber Bucks Program is designed to keep dollars local. They are great as employee incentives/rewards, giveaways or gifts from friends and family. Anyone can buy Chamber Bucks. They can be purchased at the Wahpeton Breckenridge Chamber of Commerce office in \$5, \$10 and \$20 denominations and used for goods and services at participating businesses in the Twin Towns.

## **WHERE CAN I USE CHAMBER BUCKS?**

Chamber Bucks can be used for products and services at participating chamber member businesses in Wahpeton and Breckenridge. Please scan the QR Code below to view all participating members.

## **HOW DO I USE CHAMBER BUCKS?**

Customers will redeem Chamber Bucks at participating businesses toward a single purchase of equal or greater value. They are not redeemable for cash. After you accept a valid Chamber Buck at your place of business from a customer for goods and services, you may go ahead and cash the Chamber Bucks just as you would any check. This is an exciting change to our program.

## **WHERE CAN I BUY CHAMBER BUCKS?**

Chamber Bucks can be purchased at the Wahpeton Breckenridge Chamber of Commerce office during regular business hours.

## **DO CHAMBER BUCKS EXPIRE?**

Chamber Bucks can be purchased at the Wahpeton Breckenridge Chamber of Commerce office during regular business hours.

## **HOW DO I BECOME A PARTICIPATING BUSINESS?**

To become a participating business, you need to be a member in good standing of the Wahpeton Breckenridge Chamber of Commerce. There is no charge for being a participating business. This program is offered as a benefit of your chamber membership.

## **BRENDA KLOSTERMAN**

### **ADVANCED FUNERAL PLANNER**

Brenda specializes in pre-arranged funeral and cremation planning and provides individuals and families with opportunities to explore their final wishes. She also provides valuable information regarding options to set funds aside for burial and cremation expenses.

Brenda offers the following expert advice:

**The first step** in planning ahead is organizing your vital information and putting your wishes in writing. Having all of these details in one place – and on file with your funeral professional – is of tremendous assistance to your family. It is a gift of love only you can give.

Your file should include:

- Copies of all important documents such as your life insurance policies, birth certificate, marriage license, and military records. Remember, do NOT keep these copies in your safe deposit box because oftentimes the contents are not available to your loved ones until long after they're needed.
- Important biographical details that will help tell your life story. This information will save your family time and added stress.
- Your preferences for services. Whether traditional or non-traditional, there are many details to consider such as flowers, music, favorite readings or scripture, and casket or urn selection. Besides removing this responsibility from your family, it also gives you the opportunity to design the unique service you want, which can be especially meaningful and healing for loved ones.

**The second step** is determining your pre-funding options. We plan and set aside funds for many things in life, including vacations and retirement. Why not do the same for the inevitable? Death has no schedule, and it can create the burden of unexpected expenses for family members. Setting aside funds for your funeral arrangements ensures that your final wishes can be carried out while allowing loved ones to focus on their journey through grief.

Brenda can provide you with the information you need to make informed and thoughtful decisions. She is available to meet with business groups, individuals and families by appointment and can be reached by calling her at 701-640-0840.

# Headwaters Queen Royalty Program

## Headwaters Day Festival

September 10, 2022

A Queen and two Princesses will be selected to represent the area at local civic events and at festivals in other communities. Their reign will be for one year, until the next Headwaters Day Festival.

This is not a beauty pageant, and there is no talent competition required. Contestants will be judged on poise, knowledge, ability to interact with others, and other criteria that a good representative should have.

All contestants must have a sponsor. This can be a business, church, friends, family, or other organization. Sponsorship fee is \$100.

# *Headwaters Queen Royalty Program*

## **Rules and Regulations**

The Headwaters Queen Royalty Pageant, to be held on September 10, 2022, will select a queen and two princesses who will represent the area at local civic events and in festivals of other communities. All candidates must be residents of Wilkin Cty, MN or Richland Cty, ND and be between the ages of 17 and 22 as of September 1<sup>st</sup> of the current year. Deadline for applications is August 15.

This is not a “beauty” pageant and there is no talent competition required. Contestants will be judged on poise, knowledge, ability to interact with others and other criteria that a good representative should have.

The winning contestants are expected to be available, during their one year reign, to appear at various community events as well as parades and queen pageants in other communities.

All contestants must have a sponsor. This can be a business, church, friends, family or other organization. Sponsorship fee is \$100. Make check payable to: **Headwaters Queen Royalty Program**.

Due to limited space, we can only accept the first 15 entries. Additional applications will be kept on file. If any of the 15 applicants drop out prior to August 30, the replacement applicants will be accepted in order of receipt of their application. On or after August 30 no contestant will be replaced. Sponsorship checks for applicants not accepted will be returned after August 30.

Candidates must be single, and cannot have a child or be knowingly pregnant at the time of the pageant. If the queen or a princess becomes pregnant or marries any time during her reign, she will be required to relinquish her title and all benefits of that position.

No professional model will be eligible for this pageant, nor will queens or princesses from previous years be allowed to compete, although non-winning contestants may compete again.

Contestants are asked to submit a 4x6 photo of their choice with their application and a resume of their background and activities in the community. This will be given to the judges and will be read during introductions at the pageant.

Approximately one week prior to the pageant there will be a required orientation meeting where candidates will receive hints and coaching on proper protocol and etiquette for festival royalty. On event day candidates will take part in the parade, judges interviews and pageant as well as other activities to be determined. Dress code is business casual for parade and interviews and semi formal attire for the pageant.

*Building better

insecurity*

**ONE CLIENT'S STORY**

No two Food Pantry clients are alike, but the need is real. We'd like to share the story of one of our clients, John.

Late one Monday afternoon we received a call from John, a single dad of four children and the sole supporter of his family. It was almost the end of our operating hours and he asked how long we would be open.

He went onto explain that he wanted to cook supper for his family that night, but had used all his groceries the previous day. Fortunately he would be paid the next day, but needed to feed his family that night.

John arrived at the pantry before closing time and a volunteer guided him around the pantry helping him with the food selection. John expressed his thankfulness many times to the volunteers that evening. He was so happy to be able to go home that evening and feed his family.

John seldomly uses the Food Pantry services and has done so only when his needs are the greatest.

Many of our clients comment "I didn't think I would ever be here".
