CHAMBER BUCKS

shop local. eat local. spend local. enjoy local

The Chamber Bucks Program is getting an exciting new update for 2022. Chamber Bucks will now be distributed as an actual check that businesses will be able to deposit and will eliminate the need to request reimbursement from the Chamber office. Watch your email for more details coming soon.

The Wahpeton Breckenridge Chamber of Commerce is happy to offer the Chamber Bucks Program to the Twin Town Communities. The Chamber Bucks Program is designed to keep dollars local. They are great as employee incentives/rewards, giveaways or gifts from friends and family. Anyone can buy Chamber Bucks. They can be purchased at the Wahpeton Breckenridge Chamber of Commerce office in \$5, \$10 and \$20 denominations and used for goods and services at participating businesses in the Twin Towns.

WHERE CAN I USE CHAMBER BUCKS?

Chamber Bucks can be used for products and services at participating chamber member businesses in Wahpeton and Breckenridge. Please scan the QR Code below to view all participating members.

HOW DO I USE CHAMBER BUCKS?

Customers will redeem Chamber Bucks at participating businesses toward a single purchase of equal or greater value. They are not redeemable for cash. After you accept a valid Chamber Buck at your place of business from a customer for goods and services, you may go ahead and cash the Chamber Bucks just as you would any check. This is an exciting change to our program.

WHERE CAN I BUY CHAMBER BUCKS?

Chamber Bucks can be purchased at the Wahpeton Breckenridge Chamber of Commerce office during regular business hours.

DO CHAMBER BUCKS EXPIRE?

Chamber Bucks can be purchased at the Wahpeton Breckenridge Chamber of Commerce office during regular business hours.

HOW DO I BECOME A PARTICIPATING BUSINESS?

To become a participating business, you need to be a member in good standing of the Wahpeton Breckenridge Chamber of Commerce. There is no charge for being a participating business. This program is offered as a benefit of your chamber membership.

FOR IMMEDIATE RELEASE: April 25, 2022

SVEDA Helps Turn Business Dreams into Reality

Trigger Sports set to open in mid-June

Wahpeton, ND – When Mitchell Lane walked into Executive Director, Justin Neppi's Southern Valley Economic Development Authority office a year and a half ago to discuss starting a property management company he never imagined he would someday be opening a sporting goods store in Wahpeton. After Lane utilized startup support and entrepreneurial assistance from SVEDA, Trigger Sports is set to open in Downtown Wahpeton in mid-June turning his business dreams into reality.

Lane's passion started in the sporting goods and firearm industry after working at Outdoorsman in Fargo. Lane began talking to Justin about numbers and logistics to see if opening a sporting goods store was even feasible. According to Lane, "Justin was able to provide me with market research and data and what I learned was that it is feasible and sustainable and there is actually quite a bit of demand. With sports being such an integral part of the community, I realized the Wahpeton Breckenridge area might be the perfect fit. Justin was able to help walk me through all phases of the development."

The perfect location for Trigger Sports was found in the former Snap Fitness building and a lease was signed in March. A large remodel is currently in progress, and it will provide Trigger Sports with 3700 square feet of sales space. "There was definitely an appeal to the space. When you walk in I want it to feel like a full legit hunting space. I was also able to get the capital to completely fill the store. The space will open with a focus on firearms, archery, and hunting with the hope of expanding into additional sports in the future," said Lane.

After climbing through all the hoops there are to open a business, Lane is excited to get back into the firearm industry and set someone up with a package to go. Lane says "Wahpeton is the perfect community for Trigger Sports because they need it. I really enjoy the community and families I have met. I would like to see the town grow."

To increase the chances of business success, SVEDA will support and promote a variety of opportunities for startup and entrepreneurial assistance. SVEDA can help your business startup by contacting Justin Neppi at 701-840-8243 or justin@sveda.biz.

Youth will learn safe practices around farm equipment, rules of the road, ATV safety, livestock handling, dangers of grain bins, first aid techniques and labor laws. Upon completion of the camp, youth will acquire a farm permit to operate farm equipment and work around livestock for hire. Home Repair Assistance?

Group Workcamp 2022

June 19th - June 25th

Lakes & Prairies Community Action Partnership (CAPLP) is teaming up with Group Workcamps to help improve homes within 30 miles of Moorhead, Minnesota June 19-25, 2022. We are reaching out to older adults, persons with disabilities, single parents, and income eligible residents. We are excited to transform homes and create better living conditions for the families we serve! Hundreds of youth from across America will come together for five days to repair and transform homes while strengthening and transforming their own faith.

Each home site will consist of 4-5 senior high youth and at least one adult leader. Site writers will visit your home prior to the Group Workcamp and help with identifying repairs and materials needed for your specific project. **Eligible households must be within 30 miles driving distance of Moorhead, MN (Homes must be located in MN)**. Eligible repairs are “basic” home repair and are listed with this application.

Both labor and materials will be free to qualifying households. Work will be done by youth volunteers. Households receiving assistance must agree to provide water, electricity for tools, a restroom for the volunteers as well as providing an adult in the home the week of the repairs.

You will be contacted in Spring 2022 about the status of your application. At no time, can we guarantee that work will be completed on your home. Please complete the following questions and return your application to the following address:
